NDA Update

COVID-19 Update

- Offices are open - will continue to adopt a mix of home and office working where appropriate
- More face-to-face external engagement currently being reviewed and will be based on the wishes of stakeholders and taking into account government guidance
- Expectation that we will be working 2-3 days per week in offices

NDA Update

NDA Sustainability Strategy

- NDA Sustainability Strategy published on 30 March
- This strategy sets out the NDA group's five-year path to becoming a leader in sustainability.
- Investing in people, communities & protecting environment for long-term
- Identifies key opportunities and projects to improve sustainability across NDA group

NDA Update

Magnox fuel reprocessing ends

- Reprocessing operations in Sellafield's Magnox Reprocessing Plant will end in July 2022. It marks the completion of an operational journey that began in 1964.
- Once reprocessing is complete, it will enter a new phase of clean-out and decommissioning.
- It has safely reprocessed nearly 55,000 tonnes of spent fuel. That's more than half the total volume of fuel ever reprocessed anywhere in the world.

NDA Update

GDF Siting process

- Now three Community Partnerships in West Cumbria. Community Partnerships are a further step in an exploratory, fact-finding and discussion process with the local community about hosting a GDF
- On the other side of the country, in Lincolnshire, Theddlethorpe has announced its local Search Area, i.e. the place where it would look to site a GDF. The local Working Group is looking to move the process forward over the coming months and establish a Community Partnership.

NDA Update

Geophysical surveys to begin in Cumbria

- First marine geophysical surveys set to start this summer
- Investigations off the coast to provide data about potential of deep rocks to host a Geological Disposal Facility

NDA Update

NDA and Cwmni Egino collaboration

- BEIS has announced NDA to work with Cwmni Egino to develop proposals for new nuclear development at Trawsfynydd
- NDA being “trusted to do more” supporting UK Government’s energy security strategy, at request of BEIS & No10.
- Full announcement by BEIS on gov.uk.
- Due to growing interest from technology providers & site developers to understand the land at our sites

NDA Update

Supply Chain Event

- Largest event of its kind in Europe with 1,700 visitors and over 300 suppliers
- Date set for 21 July 2022 and will be held at The International Centre, Telford
- Supply Chain Awards ceremony same day.
- NIA DECOMM 2022 – 20 July

The poster is divided into two main sections. The left section has a dark purple background with a network diagram of nodes and lines. It features the NDA logo (a white circle with 'NDA' in black) in the top left, followed by the text 'group supply chain event' in white. The right section has a light grey background and contains the text 'new date' in a bold, dark purple font, followed by '21 July 2022' in a large, dark purple font. At the bottom, there is a red horizontal line. Below this line, on the left, is the text 'The International Centre, Telford, Shropshire' in a dark grey font. On the right, there is a purple hashtag '#DecommSupply' and a small logo for the 'Supply Chain Charter for Nuclear Decommissioning Sites Signatory' which consists of a circular emblem with various colored segments.
