NDA socio-economic strategy refresh 2023-24

O dan y Ddeddf Ynni (2004), mae'r NDA hefo rôl economaidd gymdeithasol sydd yn cydnabod y pwysigrwydd o gyflenwi'r rhaglen dadgomisiynu mewn modd cymdeithasol cyfrifol. Mae'r dull tuag at hyn wedi eu hegluro yn y Strategaeth Effaith Cymdeithasol ac Economaidd Lleol yr NDA a gyhoeddwyd yng Ngorffennaf 2020.

Ers hynny, mae llawer wedi digwydd er mwyn ffurfio'r heriau economaidd, cyfleoedd, a blaenoriaethau o fewn y cymunedau o gwmpas stad yr NDA. Mae'r NDA yn cychwyn ar waith i adnewyddu'r Strategaeth Effaith Cymdeithasol ac Economaidd Lleol

Dros y misoedd nesaf dymunai'r NDA i ymgysylltu gyda rhanddeiliaid ar draws y DU er mwyn cael gwell dealltwriaeth ar flaenoriaethau cymdeithasol ac economaidd yn ein cymunedau, ac adnabod ardaloedd sydd angen ffocws er mwyn alinio ein prosesau mewnol a systemau, ac i wneud y defnydd gorau o'r gyllideb sydd ar gael ar draws y grŵp ar gyfer y budd mwyaf i'r gymuned.

Unwaith bydd wedi datblygu, mi fydd y strategaeth newydd yn mynd trwy gyfnod o ymgynghoriad cyhoeddus, cyn ei gwblhau a'i gyhoeddi yng Ngwanwyn 2024.

Under the Energy Act (2004), the NDA has a socio-economic role which recognises the importance of delivering the decommissioning programme in a socially responsible way. The approach to this is explained in the NDA Local Social and Economic Impact Strategy which was last published in July 2020.

Since then, much has happened to shape the economic challenges, opportunities, and priorities in the communities around the NDA estate. The NDA is commencing a refresh of the Local Social and Economic Impact Strategy.

Over the coming months the NDA wish to engage with stakeholders across the UK to better understand the social and economic priorities in our communities to identify priority areas of focus, to align our internal processes and systems, and to make best use of the funding available across the group for maximum community benefit.

Once developed, the new strategy will be subject to a period of public consultation before it is finalised and published Spring 2024.
