

Sizewell Stakeholder Meeting

January 2024

Presented by Robert Gunn, Sizewell B Station Director

Safety Performance and Operations

- Sizewell B has operated at around full capacity during this period providing low carbon electricity to over two million homes.
- There has been:
 - **No recordable injuries**
 - **No nuclear reportable incidents**
 - **No environmental incidents**
- Sizewell B will be brought offline on **06 October 2024** to begin its nineteenth refuelling and maintenance outage, as planned - expected to last 60 days.

SIZEWELL B

lifetime output: **250**TWh

That's equivalent to enough
electricity to **power every
home** in **Suffolk** for
192 years

87m tonnes
of CO₂ avoided, the
equivalent to...

42m cars off
the UK's roads
for a **year**.

Helping Britain Achieve Net Zero

That's more than the total number
of licensed vehicles in the UK!

Our people

Our people:

- **570** EDF staff this includes
- **17** Apprentices, **3** Industrial placements, **3** Technical Trainees
- **11** Visitor Centre staff
- **250** year round contracting partners

This year plans to recruit **26** additional roles as well as **6** Engineering Maintenance Apprentices and **1** Chemistry Apprentice.

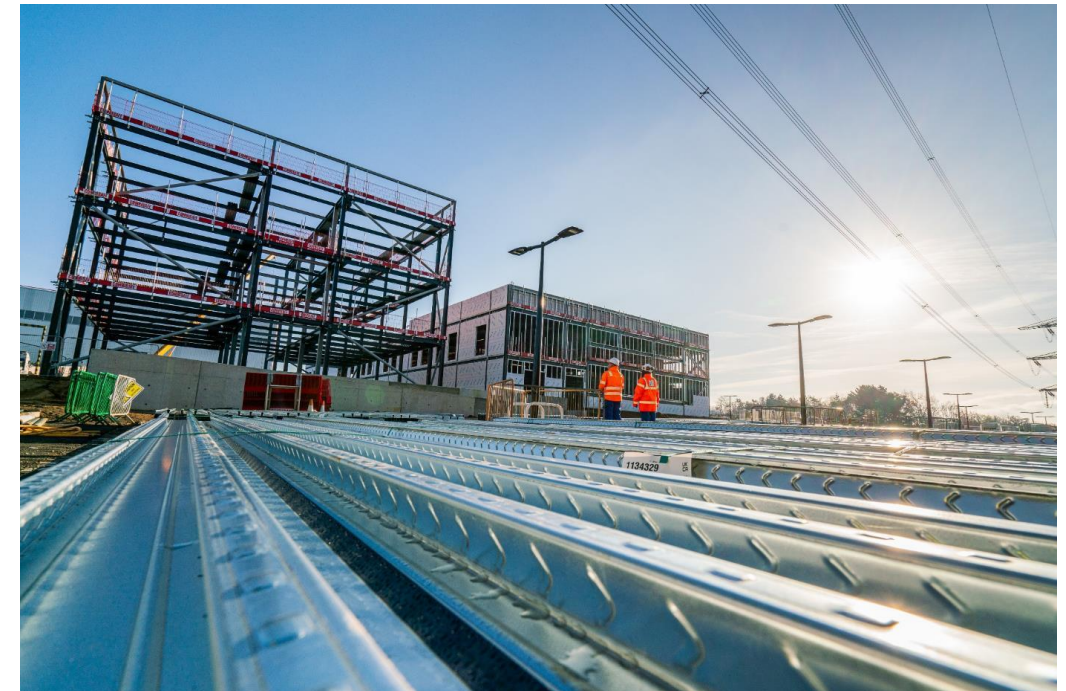

Long Term Operations programme

- EDF is fully committed to progressing the work required to extend Sizewell B out to 2055.
- To support this programme of work we will be increasing our headcount by 10% and work is progressing well with preparations and planning to date.

Sizewell B Relocated Facilities

- **Sizewell A and Sizewell B** strike land deal – in preference to pill box field
- Installation of the steelwork structure of the new training facility is complete. Work has commenced to complete the training building roof, inner walls, external cladding and glazing.
- Concrete foundation pours for the new administration building is complete and installation of the steel framework has commenced, due to complete early 2024.
- Steelwork for the new outage store based within the Sizewell B site is complete and groundworks have commenced.

Testing of Sizewell B emergency arrangements

- **Testing of our emergency arrangements will be carried out on the following dates in 2024:-**
 - 08 April 2024
 - 17 April 2024
 - 24 April 2024
 - 01 May 2024
 - 08 May 2024
 - 15 May 2024
 - 12 June 2024
 - 17 July 2024

Record number of visitors

welcomed at Sizewell visitor centre

- Engaged with over 21, 000 visitors in 2023, either a tour of the power station or schools education outreach program and career events.
-
- Since opening in December 2012 the station guides have engaged with over 108,000 visitors, that's interactions via either station tours or education outreach programs.
-
- The Sizewell visitor centre is open to the public from 9am to 4.30pm Monday – Friday. To arrange a tour of the power station email Sizewellbtours@edf-energy.com
