Waste update

- Both vault 1 and vault 3 waste is being retrieved by site teams using remote handling plant, some of which is still in commissioning.
- 5 low-level waste shipments are planned for 2024/25. 2 have been completed and the remaining 3 are on track to be shipped.

Site activities

18 packages are planned to be sent to the ISF waste store in 2024/25. To date, 15 packages have been completed.

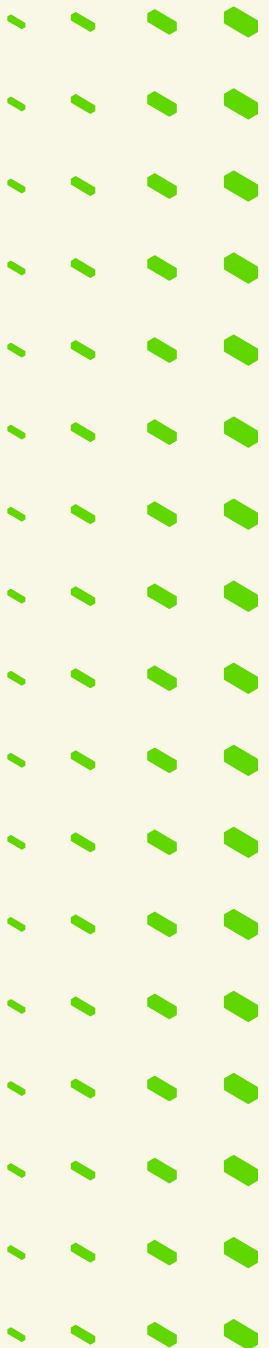

Blower House

Contract 1 - Blower House emptying, remediation and demolition.

Altrad have commenced site work and the infrastructure for managing the retrieval process has been built.

Contract 2 - Metallic waste management.

Contractors (NSG/Augean) have progressed well with construction, with the building now complete and fit-out of equipment underway.

Sustainability and wellbeing at Berkeley

- Christmas food collection held for Stroud District Food Bank.
- Site staff Christmas lunch raised **£340** for the Great Western Air Ambulance and **£206** for the Samaritans.
- 50p surcharge introduced for single use lunch containers and staff have also been given re-usable lunchboxes.
