

Volunteering

NRS has partnered with Neighbourly, an award-winning giving platform that helps businesses make a positive impact in their communities by donating volunteer time, money and surplus products, all in one place.

Neighbourly offers giving programmes throughout the year, so small charities and community organisations can receive help and support free of charge!

Why Volunteer?

Using our time, talents and expertise to support local good causes, in ways that are both big and small, can make a huge difference to charities and communities and help communities become more sustainable.

Our sustainability policy commits to supporting the development of resilient communities around our sites.

How to join Neighbourly?

Create a free page on Neighbourly for your organisation on [this link](#). You'll be guided through the steps to create an account and publish a charity page.

Prior to setting up your page, we recommend checking to see whether one has already been created for your organisation – you can use [this link](#) to search.

There's a detailed [FAQ page](#) on the Neighbourly website with more information on setting up a profile that you may find useful.

Your page should include:

- A detailed summary of your organisation
- Information about the people you support
- How you would make use of any support received
- A good photograph or your logo
- Website and social media links
- Keep your page and links updated to ensure Neighbourly and partners know about your current activities and needs

If you need any additional help or support getting set up, you can [contact Neighbourly here](#).
