Sustainability at Oldbury

Social Sustainability

- Facilitating work experience for several students from local schools
- Discussion with Gloucestershire Careers Hub on raising the profile of nuclear decommissioning to teachers, students and careers leads
- Preparing for Volunteers' Week (first week of June) by organising Neighbourly volunteering event (tie in with World Environment Day – 5th June)

Environmental Sustainability

- **No Mow May**
- **Oldbury Wetlands Project**
 1. WSP and their sub-contractor accessed the silt mass with drilling equipment.
 2. Conducted soil sampling to assess silt mobility.
 3. Installed eight boreholes for 12-month water level monitoring.
